Pure Sine Wave **5000W**

**MULTIPLE PROTECTION**

- Over-current Protection
- High Temperature Protection
- Overload Protection
- Over-voltage Protection
- Short-Circuit Protection
- Low-Voltage Protection

**PURE SINE WAVE**

Smooth and perfect sine waveform, as good as home power/city power  
Power sensitive devices and inductive load without damage or annoying electrical noise!

**Compatible with most devices on the market**

Stable conversion output, most devices can be used safely
